

2019 Camp Infinity

Short & Long Pitch

Short Pitch

Our "Camp Infinity" is combination of skill development as well as a package of fun intensified activities. This camp enables your children to sharpen fundamental skills, before they take the next step in their academic front as well as allow children to explore learning through a lot of fun intensified activities.

Skill development chiefly revolves around skills like fine motor, memory, concentration, being self-motivated, creativity, being organized and independent.

The power-packed fun program is an action oriented multi activity camp.

- We have activities grouped for the ages 2-3 years / 3-5 years / 5-8 years / 8-12 years.
- Each age group largely focuses on activities and skills that are critical for their wholesome development.
- We encourage your children to gather their friends and get reloaded!
- Few attractions to sharpen Skills:
 - Drawing-Color Your Imagination through this skill. Fine motor skills get enhanced,
 - Story Trail- Tell a Tale and Talk-a-Thon- Let's Talk English helps them to improve communication skills,
 - Self Help- Manners and Beyond helps them be more independent and organized.
 - Brain Quest- Memory and Concentration improves focus, concentration and memory
 - Act Express- from Page to Stage makes them more confident, helps them to get rid of stage fear and kindles creativity.
 - Art Effect- Reflect yourself is a key to self enhancement and motivation.
 - Other fun activities like - Master Chef Junior, Dance Mania, Craftastic, Get Wet, Lemonade Stand, Xplore Science, Magic Spells, Fun 'n' Sun, Enchanting Puppets, Go Green, Life Skills, Field Trip and Grand Finale.

- May Camp Start Date: May ____, 2019 / Two Weeks / 3 hours per day / Mon-Fri

* Each centre can determine the timings suitable to their community requirements.

2019 Camp Infinity

Short & Long Pitch

Long Pitch

Our "**Camp Infinity**" is combination of skill development as well as a package of fun intensified activities. This camp enables your children to sharpen fundamental skills, before they take the next step in their academic front as well as allow children to explore learning through a lot of fun intensified activities.

Skill development chiefly revolves around skills like fine motor, memory, concentration, being self-motivated, creativity, being organized and independent.

The power-packed fun program is an action oriented multi activity camp.

1. We have activities grouped for the ages 2-3 years / 3-5 years / 5-8 years / 8-12 years.
2. Each age group largely focuses on activities and skills that are critical for their wholesome development.
3. We encourage your children to gather their friends and get reloaded!
4. Few attractions to sharpen Skills:
 - **Brain Quest- memory and concentration (3-12 years):** The ability to complete any task highly relies on memory and concentration skills of children. Children have lots of distractions around them. e.g.tv, social media etc. Developing these skills help them to stay focused and involved in whatever they do.

e.g.: tongue twisters, breathing exercises, memory tray, what is missing etc.

Outcome:

- a. Improves activity of Left brain and Right Brain.
 - b. Improves memory and concentration.
 - c. Enables them to focus on a task for a stipulated amount of time.
- **Story Trail- Tell a Tale (3-5 Years):** Confidence acts as a catalyst to success. Children need to learn how to express their feelings and emotions and to understand other's emotions. Story trail enables them to relate to real world happenings and develops their confidence to speak up in front of a crowd.

Ex: Children narrate a story after the teacher; Open ended question kindles their curiosity.

Outcome:

- a. Improves story narrating skills.
- b. Helps to address a small gathering.

2019 Camp Infinity

Short & Long Pitch

c. Improves vocabulary.

- **Self Help-manners and beyond (3-5 years):** children's skill development relies on their independence and ability to carry out their chores by themselves. Self-help skills equip children to be independent, organized and improve their etiquettes which helps in establishing a healthy daily routine.

Ex: Let's get ready to school, Lacing shoes race, Clean up after study/play time.

Outcome:

- a. Creates awareness about their daily routines.
 - b. Enables them to clean up after they complete a specified task.
 - c. Helps them to be more organized.
 - d. Improves their general etiquettes.
- **Drawing- Colour your imagination (3-5 years):** Children draw to express what they are feeling and thinking. Drawing enhances your child's fine motor skills and creativity. Not only that, drawing exercises the essential fine motor skills that your child needs to develop, it also covers almost all cognitive processes that your child need to sharpen their mind. Drawing kick-starts activity on the left and right brain at the same time. Drawing gives your child time to concentrate.

E.g: leaf printing, tape resist art, crayon crackled painting.

Outcome:

- a. Improves fine motor skills.
 - b. Helps to relate colours.
 - c. Creates awareness on different mediums of painting and coloring.
- **Art effect-Reflect Yourself (5-8 years):** Drawing brings joy and promotes intrinsic motivation. Every time your child draws, she taps into her imagination and makes physical representations of what she has in mind. Drawing develops your child's problem solving skills. Drawing boosts your little one's confidence

e.g.: making a vision board, making a wall poster.

Outcomes:

2019 Camp Infinity

Short & Long Pitch

- a. Improved understanding of self.
 - b. Self-motivation through drawing.
 - c. Self analysing through drawing.
- **Act Express- from Page to Stage (5-12 years):** Dramatic skills are an important means of stimulating creativity and problem solving. It can challenge student's perception about their world and about themselves. Dramatic exploration can provide students with an outlet for emotions, thoughts, and dreams that they might not otherwise have means to express. Dramatic skills help children overcome Stage fear and enable them to be better communicators.

e.g.:A short play, a street play- where children direct, act, create background, prepare props and write script for their play.

Outcome:

- a. Helps them to be a good team player.
 - b. Patience.
 - c. Kindles creativity.
 - d. Helps them to address a gathering.
- **Master Chef junior:** Children get a chance to explore flavours of cuisine and try their hand at cooking.
 - **Dance Mania:** Children get to move their leg to different dancing styles.
 - **Craftastic:** Children exhibit their creativity as they make crafts which they will be able to take back as a souvenir.
 - **Get Wet:** Children get a chance to beat the summer heat through a wide range of water games. Ex: Water Balloon Piñata or Sprinkler Fun or Water Hula hoop.
 - **Lemonade Stand:** Children get a chance to learn all about savings by creating their own "Lemonade Stand" and have a lemonade sale for parents.
 - **Fun 'n' Sun:** Children experience outdoor adventure time, where they play games together or simply enjoy the summer breeze. Eg: balloon basketball, hula hoop race etc
 - **Enchanting Puppets:** Children will have a unique storytelling experience with puppets to bring the characters to life. This will be an interactive storytelling session.
 - **Go Green:** Children will learn conserving the nature by understanding the value of recycling.
 - **Magic Spells:** Children get a chance to wear the magician's hat and **mesmerize** their friends with magic tricks.

2019 Camp Infinity

Short & Long Pitch

- **Xplore Science:** children would love to explore and learn fun scientific facts about things around them.
- **Life Skills:** Beyond academics and having fun, children need to learn essential life skills which will train them to handle money, protect themselves during disasters, basic first aid and road rules.
- **Field Trip:** Children will make a trip to a special place for a complete real world experience.
- **Grand Finale** - Children will present their Skill - filled Fun - loaded Camp Infinity experience to their parents on the last day.
