

Note: On each day children must be given a 30 min break in between the curriculum. Centers can plan the schedule accordingly. Refer to sample schedule given under Summer Camp Guidelines.

LEMONADE STAND:

Activity	Description	Materials Needed
Lemonade Stand	<p>This is an activity that will help students understand the concept of learning to save.</p> <p>In USA, students learn to save and manage money at a very young age. Parents use a very fun way to help inculcate this learning at an early age. The Lemonade Stand Concept gives students to make and sell lemonade. Lemonade is a popular drink among Americans of all ages, especially during the summer. Students get to make their lemonade stands, make the lemonade, and sell it. They learn the importance of how to earn money and how to use it wisely. They often keep a small amount to themselves and save the rest or donate it to charity. When they get to work for their money, they learn the art of money management.</p> <p>Make Your Own Lemonade Stand:</p> <ul style="list-style-type: none"> Assign different roles for students to establish their lemonade stands.
