

Chennai's First Inter-Preschool Championship! Over 50 preschools from across the city with over 300 children participated in this 4-day magical event at the Ampa Skywalk Mall. This exclusive event was hosted by Arise 'n' Shine, a US based educational enterprise from Great Lakes Michigan. Children engaged in **Dance, Dramatics and Walk The Ramp**. This was the most happening festival ever; a visual delight for the eyes.

All preschool directors, center heads and parents have put in great effort for this exclusive event. Few preschools were on all the three events. They drove from far off places, irrespective of the weather challenges, with great enthusiasm and kept the children and parents in high spirits.
