## Procedure:

1. The Teachers have to verbally intimate parents a week before this activity. *If any Theme is mentioned in the curriculum, that can be highlighted to the parents.*

8. Teacher shall encourage each child to talk about the toys that they bring.
9. The child who is performing has to stand up and talk about the topic of their choice.
10. Once the child finishes his / her performance the Teacher and other children shall appreciate the child by clapping their hands.
11. The Teacher selects 3-5 best performers.
