

Note: On each day children must be given a 30 min break in between the curriculum. Centers can plan the schedule accordingly. Refer to sample schedule given under Summer Camp Guidelines.

ICE BREAKER:

Activity	Description	Materials Needed
Getting to know you	<p>Teacher shall introduce a sock puppet and the sock puppet can welcome the students to the camp:</p> <p>Hello. My name is Pinky, I'm studying in UKG. My hobbies include playing and listening to stories. I have come to camp reloaded because I love to make new friends and learn new things. I want to know more about each one of you.</p>	-

Teacher shall then give time to students to introduce themselves.

Line Game:

1. Have the students stand in a line according to the alphabetical order of their names.
2. Students have to tell their names when they arrange themselves with the help of the teacher.
3. All the students can tell their names once the entire line has been formed. It begins with the student whose name starts with the alphabet 'A' or first alphabet letter within the class.

In the next round students should be instructed to arrange themselves in order of their height, beginning with the shortest student.
