Note: Centers can pick any activity from the component given below, one activity per day. On each day children must be given a 30 min break in between the curriculum. Centers can plan the schedule accordingly. Refer to sample schedule given under Summer Camp Guidelines.

PUPPETRY:

Activity	Description	Materials Needed
Fish puppet	1. Cut out fish outline from white chart. Teacher should use the template SC2-3 AS 004 provided for the fish outline. 2. Cut out one fish for each student. 3. Students shall paint the picture using water color paint. (Different colors shall be provided. 4. Teachers shall help the students to draw eyes for the fish using a black marker. The fish shall then be glued to a craft stick to complete the puppet.	1. SC2-3 AS 004 - Fish template – 1 copy 2. White chart 3. Water colors 4. Paint brush 5. Craft stick
Making puppet	**Introduction** Begin this session by speaking about a "Circus". Have students share what they may know. **Making the Puppet** 1. Teachers should use SC2-3/AS/006 to help students make their stick puppets. 2. Have the students color the activity sheet. Provide colors that are appropriate for the picture. 3. Teachers must cut out the picture for each	1. SC2-3/AS/006 – one copy for each student 2. Craft Sticks

student.

4. Use glue to attach the Monkey to a craft stick to complete the stick puppet.

The teacher shall now use the stick puppets and teach students the song.

Song: Three Little Monkeys (Tune- Five Little Monkeys)

Three little monkeys jumping on the bed
One fell off and bumped his head
Mommy called the Doctor and the Doctor said,
"No more monkeys jumping on the bed!"

Two little monkeys jumping on the bed
One fell off and bumped his head
Mommy called the Doctor and the Doctor said,
"No more monkeys jumping on the bed!"

One little monkey jumping on the bed
She fell off and bumped her head
Mommy called the Doctor and the Doctor said,
"No more monkeys jumping on the bed!"
